Who We Are

Utility Savings Group Ltd is an independent utility consultancy based in North East England, helping businesses across the UK reduce costs on essential services.

Founded by directors with over 30 years of combined industry experience, we've built our reputation on transparency, expertise, and results. Our team of 40 specialists works directly with businesses of all sizes—from single-site operations to multi-location portfolios—to secure better rates on energy, water, waste, and telecoms.

Since our founding, we've helped hundreds of businesses cut costs, recover refunds, and streamline their utility management—saving time, money, and hassle.

Our Mission:

To help UK businesses pay less for utilities while receiving better service and support.

Our Values:

Independence - We work for you, not the suppliers -
Transparency - No hidden fees, no surprises -
Expertise - 30+ years industry knowledge -
Results - Over £48 million saved for our clients

Why Choose Utility Savings Group?

Whole-Market Comparison We check every supplier to find the best deal—not just a handful. You get access to the entire UK market.

Full Account Management We handle all admin, switching, and renewals. You focus on running your business—we take care of the rest.

No Cost to You Suppliers pay us, not you. No hidden fees, no upfront costs, no surprises. Our service is completely free to businesses.

Direct Support Speak to us directly, no call centres. You'll have a dedicated contact who knows your business and your needs.

Expert Negotiation With 30+ years of industry experience, we know how to negotiate the best rates and contract terms on your behalf.

Proven Results Our clients typically save 10-30% in year one. We've saved UK businesses over £48 million on their utility bills.

Our Services in Detail

Business Energy Procurement

We source the best gas and electricity deals tailored to your usage, contract length, and sustainability goals.

What we offer: - Fixed, flexible & wholesale-linked contracts - Multi-site portfolio management - Half-hourly metering & smart meter support - Contract negotiation and renewal management

Result: Lock in savings and avoid costly auto-renewals

Water Savings

From audits to supplier switching, we identify overcharges and streamline your business water costs.

What we offer: - Switching water retailers for better rates - Billing audits to catch errors and overcharges - Consumption analysis to reduce usage - Refund recovery for past overcharges

Result: You only pay for what you actually use.

Waste Management

We handle all types of waste with bespoke solutions that save money and meet compliance needs.

What we offer: - General, clinical, confidential & recycling waste - Bin size optimization - Collection frequency reviews - Competitive supplier tenders

Result: Lower costs, better service, full compliance.

Telecoms & Connectivity

Stay connected with reliable broadband, leased lines, business mobiles, and VoIP systems.

What we offer: - Business broadband packages - Leased lines for guaranteed speeds - Mobile contracts for teams - VoIP phone systems

Result: Best price and service from leading providers.

Real Results for Real Businesses

- ✓ **National Insurance Group (30+ sites) £87,406 annual saving across their portfolio**
We conducted a full energy audit across their 30+ locations and negotiated new contracts that delivered significant savings without compromising service quality.
- ✓ **North East Restaurant £23,433 refund recovered + £4,000 annual reduction**
A billing audit uncovered years of overcharges. We recovered a substantial refund and secured a better ongoing rate.
- ✓ **Scottish Cement Company 6-year water billing error corrected—significant refund secured**
Our water audit identified a long-standing billing error that had cost them thousands. We corrected it and recovered the refund.
- ✓ **South West Working Men's Club 47% waste cost reduction**
By optimizing bin sizes and collection frequency, we cut their waste management costs nearly in half while maintaining service levels.

Testimonials

What Our Clients Say

“Phill and the team saved us over £87k a year across our portfolio. Professional, thorough, and always transparent.”

National Insurance Group

“Always fast and reliable. They handle everything so we can focus on running our business.”

North East Hospitality Client

“We had no idea we were being overcharged on water for six years. Utility Savings Group found it, fixed it, and got us a refund. Incredible service.”

Scottish Cement Company

“Switching our waste provider seemed complicated, but they made it seamless. We’re now saving 47% and the service is better than before.”

South West Working Men’s Club

Simple 3-Step Process

What You Need to Provide

- Latest electricity bill
- Latest gas bill
- Latest water bill
- Telecoms/waste invoices (if applicable)
- Contact details

No credit checks at this stage—we just need the bills to provide accurate comparisons.

Industries We Serve

We work with businesses across all sectors, including:

Retail From independent shops to national chains—we help retailers cut utility costs and improve margins.

Healthcare GP surgeries, clinics, and care homes trust us to manage their utilities and ensure compliance.

Hospitality Restaurants, pubs, hotels, and cafes benefit from our energy and waste management expertise.

Offices Professional services, corporate offices, and co-working spaces rely on us for cost-effective solutions.

Schools & Education We help schools and colleges reduce costs and redirect savings back into education.

Places of Worship Churches, mosques, temples, and community centres benefit from our free, expert service.

Manufacturing High-energy users benefit most—we specialize in securing competitive rates for manufacturers.

From single sites to multi-location portfolios—if you pay utility bills, we can help you pay less.
